FITZGERALD EARNS RUNOFF WITH CALLAN; WERDER, HATCH SCORE CONVINCING WINS

Referendum To Decide Future Of Big Tract

Mayor Frank Pacelli called a special action meeting of the City Council on Wednesday evening, June 8, to authorize and set the date of a special referendum election on the Callan Park annexation.

The referendum authorization was the only action on the agenda. The special meeting was held after the newspaper went to press, thus date of the referendum was not ascertainable. First regular meeting of the council this month will be held next Monday night at 8 o'clock, 75 Wellington avenue.

Pacelli said he hopes the referendum "will settle this issue and end the unfortunate controversy."

A simple majority vote decides referendum issues. It is estimated that the council will select an election date that will fall 60 to 75 days after their authorization Wednesday.

The annexation uproar began shortly after the city council, by 4-1 vote on April 11, passed two ordinances for the annexation of the 800-plus acres tract which extended Daly City's southerly boundary almost six miles south to San Bruno.

The "Citizens Committee For Good Government," headed by spokesman Fred Walker, a Palisades homeowner, quickly initiated a petition drive against the regular ordinance (which would have put Callan Park in Daly City the second week of May) and voiced intention to sue the city in court over the second annexation ordinance (the so-called "emergency" ordinance which made the big tract a part of Daly City the night of April 11.).

Walker's group, challenged on their "real motives" by the council majority and many citizens favoring the annexation, enlisted 4229 signatures—enough to qualify for a referendum (vote of the people at large) on the annexation. This petition was verified in mid-May, and it, in effect, suspended the regular annexation ordinance. Callan Park, however, is still a part of Daly City via the emergency ordinance.

The city attorney has until June 15 to file with the state attorney general's office the council's opinion that the "emergency" enactment was fully valid. The petitioners have asked the attorney general for permission to challenge the validity of the emergency ordinance in court. This litigation, however, looms a prolonged

School Districts Await Referendum

Recent meeting of County School District Organization Committee, called to hear affected school districts' opinions about Callan Park, produced the consensus that the area should be included in the Jefferson elementary and high school districts only if it becomes or stays annexed to Daly City.

The county sub-committee held that no further meetings should be held until after the special referendum is held in Daly City.

DC Pupils Aid Chile Victims

Next Monday is the date for children in the Jefferson Elementary School District to donate Educational Relief Funds for Chile's children who have been left without school facilities or educational materials due to the earthquakes.

Trustee Frank Verducci started the ball rolling Monday night by stating that collections have been taken for food, clothing and all other facets excepting the educational aspect.

Verducci admitted that the idea was not an original one as he heard about it from San Francisco Superintendent of Schools Dr. Harold Spears at a board meeting in that city.

Verducci noted that money only would be accepted and stated it not only gives the children a "heart to heart" relationship with the Chilean children but is invaluable as a practical geography lesson. "It brings the map to life," he stated.

The trustee noted that funds would be earmarked especially for educational rehabilitation and would go toward meeting needs in this field, whatever they might be.

He added that this is not a "power" type drive and children did not "have" to donate. He commented that all parents' donations should go through their children. He further stated that those persons

HOSPITAL DRIVE FACT-FINDERS 'ON SCHEDULE' FOR DISTRICT

The north county mayors' fact-finding committee in the drive to establish a hospital district will present its comprehensive report to representatives of Daly City, Pacifica and South San Francisco on Tuesday evening, June 14, at Colma Intermediate School.

Dr. Sanford Marcus of Westlake today declared that the mayor's committee had met with representatives of Mary's Melp Hospital "in an effort to coordinate plans for hospitals in the fast-populating north county area."

"We welcomed the announcement that Mary's Help intends to relocate to the Daly City area," commented Marcus. "At the same time we recognize the need to continue working for a hospital district to serve an estimated 250,000 north county residents by 1970."

Marcus pointed out that the mayors' group was eager to exchange useful information with the Mary's Help board on possible hospital sites, financing, et cetera.

Mary's Help and the mayors' committee, however, will act separately, Marcus explained, because the former operates as a private, nonprofit corporation, while the proposed hospital district would be tax supported and hinges on the vote of residents in the total area to be served.

Marcus said the mayors' group will seek to have the hospital district issue placed on the November ballot. In January of 1961, the group will

TRUSTEES SET SPECIAL MEET ON SCHOOL OVERPASS PLAN

Discussion on the proposed overpass at Fernando Rivera School will bring out approximately 330 persons to the Jefferson Elementary School District trustees meeting at the Olympia School, 200 Northgate avenue, on Monday, June 20, at 9 p.m. it was learned this week.

The overpass talks will follow the 7:30 p.m. board meeting at the same location.

Superintendent Richard Foster said that a signed petition by 300 persons, dated June 2, 1960, was received by the district. The petition claims that it is imperative for the safety of children that the overpass be placed across Lake Merced boulevard.

Present at Monday's meeting were a number of Northgate court home owners who are against the 22-foot high overpass, claiming it will mar the view from their homes and will harm property value. Foster said he saw, but hasn't received, this second petition but it is signed by approximately 25 persons.

Foster said the overpass issue is not a new one. He noted that two years ago the city and school district signed a joint agreement for development. The question up to this time

JUHS Classified Employees Get 5% Wage Hikes

The high school board Monday night granted 5% salary increases to the district's 65 classified employees — clerical, maintenance and cafeteria personnel.

Effective this July 1, the unanimous action will add $15,724 to the district's budget for classified salaries, bringing the total in this category to $330,212 next school year.

Certificated staff representatives had asked for wage increases running from 5 to 10 percent. Trustees studied comparison charts of other districts and took under consideration cost of living projections.

The board also discussed the classified employees' contract handbook, noting changes prescribed by new state legislation.

The district's budget for the new school year provides for $1,283,600 in classroom teacher salaries. This does not include deans, principals and upper echelon administrators.

The $1,283,600 includes $512,350 for Jefferson, $477,450 for Westmoor and $291,800 for Oceana. Oceana will be operational at Westmoor this September on half sessions. Westmoor students will populate the school in the morning. Oceana High will open in Sharp Park in September of 1961.

103,000 Cast Ballots In County; School Bonds Pass By 2-1 Margin

Approximately 103,000 of San Mateo County's 191,147 registered voters went to the polls in Tuesday's primary which featured convincing victories for veteran Supervisors William Werder, 50, Redwood City, and 83-year-old Alvin Hatch of Half Moon Bay.

Unofficial returns at press time showed a surprising outcome in the First District Supervisorial race as James Fitzgerald, 41, San Bruno, edged eight-year incumbent Thomas Callan Sr. of Colma, 48,036 to 45,296. The pair will meet in a November runoff. San Brunan John Romano, 60, lost out as the third candidate. He had 14,879 votes.

Werder, on the board 10 years, polled 58,912 votes to 30,202 for sheriff's office sergeant James White, 39, Palo Alto, and 15,380 for Redwood City fire commissioner John Connors, 51.

Hatch showed unusual strength in soundly defeating Coastsider and junior college trustee Raymond T. Whitney, 50, by a tally of 60,576 to 42,877 for the Fourth District seat.

Menlo Park City Attorney James O'Keefe easily outdistanced three challengers for the Superior Court vacancy. Fifty-year-old O'Keefe mustered 47,782 votes. Millbrae's Louis Wexler, 51, was next with 21,535. Antonio Gaudio, 48, South San Francisco, had 19,926, and Tom Markley, 36, Burlingame, was last with 17,281.

Congressman J. Arthur Younger, 63, Ninth District, faces a November battle with Dr. John Kaster, 41, Hillsborough. Younger had a margin of 51,585 to 43,431. Edward Littleton of Brisbane was out of the running with only 10,821 votes.

Twenty Fifth District Assemblyman Louis Francis, 37, will be opposed in November by Demo Robert Hardgrove, 41, Burlingame public relations man. Republican Francis got 22,877 votes. Hardgrove's total was 19,623. Mark Martin, 44, Burlingame, trailed with 8369 as the other Demo hopeful.

Carl Britschgi, 26th Assembly District incumbent, will be challenged by Alan Baldwin, 35, Redwood City school teacher, this November. Britschgi had 27,503 to 21,099 for Baldwin and 5224 for the third candidate, Demo Martin J. Sweeney, 51, Redwood City realtor.

State Senator Richard Dolwig, Republican, had a convincing 50,587 votes. Attorney William Gately, 40, San Mateo, will be his rival in November. Gately was accorded 36,789 Demo votes. Tavern owner J. William Kelly of San Carlos got 17,402.

Vice President Richard M. Nixon's tally was 49,633. Governor Edmund "Pat" Brown exceeded fellow Demo George McLain, 41,772 to 15,214.

The veterans' bonds and school bonds issues passed by overwhelming margins, 67,925 to 41,202 and 75,842 to 33,017, respectively. The state indebtedness issue carried, 54,826 "yes" to 48,149 opposed.

Blaze At Jeff Routs Students

Jefferson High students were dismissed for the balance of the afternoon Monday about 1:05 p.m. after a brief blaze below the floor of a lower wing classroom brought Daly City firemen to the scene.

Smoke from a silver dollar-sized hole in the floor of instructor Frank Pustay's math classroom prompted the mass evacuation. Battalion Chief Frank Specht attributed the blaze to a match or burning cigarette deposited in the old radiator-connection hole which was cluttered with assorted scraps of paper and other debris.

Company 2 firemen from Santa Barbara avenue, preceded by Pustay's quick work with a fire extinguisher, had to saw a 3-by-10 foot hole in the floor to get to the source of the trouble. It didn't take long to control the flare-up.

Principal John Mongan said maintenance men repaired the floor later in the day. The classroom was used again by students the next morning.

Both Mongan and Specht conceded that a serious fire might have resulted had the blaze erupted later after students had left the premises.

Woman Injured As Auto, Cab Collide

A Daly City woman was injured in a cab and auto collision at Hillside boulevard near East Vista avenue on Saturday at 12:15 p.m.

The woman, Ruth Cottle, 54, 142 East Vista avenue, was transported to the hospital by another cab before Officer Richard deLosa came on the scene. Santos Torres Castro, 49, 335 Hillside boulevard, a Hunter's Point Naval Shipyard electrician, suffered minor injuries but refused medical aid. The driver of the auto, Castro was cited for driving an unsafe vehicle.

Officer deLosa judged that Castro's left front wheel brake must have jammed and forced the auto into the cab driven by Alfred Fournier, 29, of San Bruno.

Bartender Tells Of 'Theft' While Being Arrested

Frank J. Sanchez, a bartender at the Casbah, while being booked on a Northern Judicial District Court warrant charging assault and battery and 26 Daly City traffic warrants last Wednesday evening told Officer Jim Bergstrom that 70 sets of costume jewelry, various dolls and stuffed animals were taken from his home.

Sanchez, 32, 31 Partridge lane, said he was burglarized while he was away on vacation between April 1 and May 31. He said the items stored in the basement were worth $700.

Sergeant Jerry Galindo checked further into the case and was told by Sanchez's landlady that she had taken the goods and sold them as Sanchez was far behind in his rent payments. Galindo said Sanchez stated he would see his attorney. Galindo marked the case closed as he believed it to be a civil matter and not criminal.

Sanchez was released on $393.50 bond and is to appear in court this Thursday on the assault and battery charge and for the traffic warrants.

Woman Arrested Trying To Cash Money Orders

An Artesia, California, cocktail waitress was arrested here on charges of trying to cash two stolen postal money orders last Friday at 3 p.m.

Ted Harris, manager of the First Western Bank, 30 Westlake court, notified police that he was holding Toni Reana Morgan, 22, of Artesia, who had attempted to cash two postal money orders.

The money orders were reportedly stolen in a burglary at Contact Station No. 1 in North Hollywood on May 30 of this year. Officer David Johnstone said the woman refused to talk without first consulting a lawyer.

She was turned over to Inspector Robert J. King of the U.S. Post Office Department.

SURE LOOKS LIKE a cemetery but the situation is to be remedied very quickly, possibly before this picture is published. Cause for concern was the parking spaces marked for the Chief of Police, Assistant Chief and Captain in back of the police station at 75 Wellington avenue. Assistant police Chief Roy McLaren said, "My car looks old but it's not dead yet."

Trio Hunted For Robbery Of Serra Firm

General Acceptance Finance Corporation, 1801 Junipero Serra boulevard, was robbed of $111 last Thursday at 10:50 a.m. by "The Phantom Trio," three men who are suspected of seven other Bay Area armed hold-ups.

Only two were seen at the corporation office, a Filipino or Chinese man, approximately 20, 6 foot, with crew cut hair and a 19-year-old caucasian standing 5-10 and weighing 160 pounds.

The caucasian sported a gold shirt with dark markings and wore a goatee. His general appearance was said to be "sloppy." The first man wore a T-shirt with windbreaker jacket and was described as being "neat."

The "neat" bandit stood by the window near the entrance and kept an eye on the two men in the office while the "sloppy" man took the cash from a drawer. Victims were assistant manager Donald O. Johnson, 712 1st avenue, San Bruno, and manager Anthony R. Greco, 636 Russia avenue, San Francisco.

Greco, on the phone at the time, was told to "hang it up, Mac." After the "sloppy" man took the money from the drawer he searched through both Johnson's and Greco's wallets but found no cash. Two of the office girls were in a back room having coffee and unaware that the robbery was taking place.

The two men walked slowly out of the building and drove away in a white 1959 sedan. Officer Les Bastedo radioed the car's description to the police station. Greco said he had attempted to follow the auto but by the time he got his started it was out of sight.

Officer David Johnstone found the abandoned vehicle at San Luis street in San Francisco, the keys on the seat. The auto had been stolen from a San Francisco State coed who lives in Oakland. A San Luis street resident said three men had gotten out of the 1959 car and drove off in a light tan and green auto.

May Construction Permits Total $2.2 Million In Building Value

Building permits were issued in Daly City last month for new construction valued at $2,221,496—a jump of almost 100 percent over the April total.

Asst. Building Inspector Maurice J. Clark said 169 building permits were issued during May compared to only 76 permits in April. The April construction was valued at $1,113,025.

The May figures were headed by 125 new homes (124 of these in Doelger's Westlake Unit 11) valued at $1,889,352. McKeon Company, for the first time in the past few years, was not issued a single home building permit last month.

Doelger's new 50-unit apartment building at 405 Palmcrest drive amounted to $222,965 of the May total.

Other permits: 33 dwelling alterations, amounting to $52,769; one new $300,000 commercial building, Golden West Concrete, 45 County street; a $12,000 swimming pool, 5 Coronado drive, Westlake; a retaining wall, $7500, 6660 Mission street; two commercial alterations, $5200; and five neon signs, $1710.

Last month's permits exceeded by three the March total—166 for $1,887,332 in new construction.

OVERPASS --

(Continued from Page 1)

has not been if there would be an overpass or not, but where to put it. It could be placed either adjacent to Northgate court or be a Northerly extension directly across from the school, he said.

Some of the queries brought up at Monday's meeting will be answered at the June 20 meeting. They include: "Why is there a need for an overpass? Why can't a signal be used to allow children to cross? Why spend $75,000 of the school's money instead of $13,000 or $14,000 for a man and a signal?"

Foster interjected here that the overpass is estimated at $30,000 and architect Mario Ciampi's fee for this portion is $1929. He noted that the architect's fee must be paid but the district is not obligated to build the overpass.

Another question posed was "Why weren't we notified of the overpass plans at the beginning of its development?"

Mrs. Katharine Mullen noted that this paper has released numerous stories about the overpass in the past. The questioner then added, "But we didn't know that it would affect our property as much as it does."

Trustees noted that all questions would be answered at the June 20 meeting.

affair, and both the council and builder believe the referendum will bring a quicker conclusion to the issue.

Meanwhile, the petitioners last week served the Daly City officials with papers to appear this Friday in Redwood City Superior Court.

The homeowners seek court authorization to have an injunction filed against the city to prevent expenditure of public funds in connection with the Callan Park development. City Attorney Paul Hupf will answer this action Friday in Redwood City.

South City Man Arrested Here As Trespasser

Thomas Riley Wallis, 44, 740 Hemlock avenue, South San Francisco, a steelworker, was arrested on charges of drunk trespassing Saturday at 4:50 p.m.

Officers Tom Culley and Harold Tunnell along with Sergeant David Hansen responded to a call of suspicious circumstances at the home of Raymond DeMike, 70, 226 Miriam street.

Wallis said he was looking for his wife and knew "John," the name he gave as the owner of the house. Raymond denied knowing Wallis and said he had let him into the house merely to use the telephone.

Culley noted that he believed Wallis to be drunk and unable to tell a straight story. Wallis said he had taken a cab to the residence but police found his car parked in front of the house. Bail was set at $26.25.

not having children in the elementary district could donate by giving monies directly to any school principal.

Verducci said Garden Village Principal Robert Abbey noted that two Chilean native children at the school have already started on their own as far as clothing is concerned. Abbey said that Loreto and Cecilia Ariztia, 756 87th street, Broadmoor Village, collected two truck loads of clothing without any prior publicity or announcements. Response of the children in this venture was overwhelming, Abbey said.

All members of the board agreed with Verducci's motion setting the day aside for contributions in the "non-pressure" type drive.

THREE-YEAR-OLD HAS BEE STINGS

HOSPITAL --

ask the State Bureau of Hospitals to give the newly boundaried district a higher priority value for more immediate state and federal grants (Hillburton), needed to help finance at least two-thirds the cost of land and construction of the district's first hospital.

Marcus explained that presently the north county area (from the Peninsula Hospital District north to the San Francisco County line) is about 30th on the priority list for state and federal hospital site-building funds. His committee has substantial facts and population projections to have this priority advanced, thus the timetable for the first hospital would be accelerated.

Marcus said that for an adequate north county hospital, a minimum of 125 beds would be needed, the construction cost factor amounting to about $25,000 a bed. The hospital site and construction alone would amount to something like $4,500,000. Marcus said, roughly speaking, this would mean about a $5 or $6 a year tax bill for residents in the hospital district.

The district would be under the jurisdiction of the board of supervisors who would appoint a board of directors.

Marcus' group have checked at least four "most centrally located" sites, but specific price-of-land talks have not materialized.

With Marcus on the fact-finding committee for the mayors are attorney Bob Hunter of Daly City, Stanley Brown of Broadmoor, Councilman Leo J. Ryan and Mrs. Betty Hammon of South San Francisco, and Mrs. Betsy Drake of Pacifica.

Marcus said his group was dispatching letters to the Daly City, Pacifica and South SF councils, urging them to turn out en masse for the June 14 session at Colma School.

Trustees Protest Supervisors Library Action

Jefferson Elementary District trustees asked Superintendent Richard Foster to draft a letter to be sent to the San Mateo County Board of Supervisors, protesting taking funds from the unincorporated areas for library purposes and reconsidering the action and at least continuing under the former policy for a year.

The letter request followed the reading of a letter from Mrs. Martha R. Cohn, corresponding secretary for the Friends of the Daly City Library.

It read in part: "It has been called to the attention of the Friends of the Daly City Library by a number of its members residing in Broadmoor, Colma and Garden Village, that funds previously allocated to Daly City by the Board of Supervisors of the County of San Mateo to compensate Daly City for library service to these unincorporated areas, will not be so allocated for the coming fiscal year.

"This means that the Daly City Library will no longer be able to give service to these residents." Mrs. Cohn continued that the children and young people in these areas would not have the use of library facilities for their school work. She noted she thought the board should be apprised of the action.

Trustee Katharine Mullen made the original motion for the board to go on record as protesting the Board of Supervisors action. Trustee Tom Noonan added, "People can't go all the way to Redwood City to use facilities there. The Colma library is inadequate to serve large groups of children."

Foster said he would contact the Daly City Council, City Manager Edward Frank, as well as directing the protest to the Board of Supervisors and sending a copy to Mrs. Cohn's group.

Address 'Anywhere' Arrested On Vagrancy Charge

Henry (Bear Tracks) Mack, 43, address "anywhere," occupation "hobo," as listed on the police report made by Officer Harold Tunnell, was arrested on a vagrancy charge Monday at 11:45 p.m.

Tunnell said he saw Mack jaywalk across Mission street and just missed being hit by a passing car. Bail was set at $52.50 for Mack.

False arm signals on the highway lead to confusion and confusion leads to collision, warns the National Automobile Club.

Dear Mr. Bradshaw:

As the 1959-1960 term of Court St. Mary No. 1155, Catholic Daughters of America, has just drawn to a close, we wish to extend our sincere appreciation for the 1157 inches of publicity accorded our organization, both in articles and photos, in your three excellent newspapers—The Record, Shopping News and Westlake Times.

We feel that through your cooperation in this respect our endeavor to acquaint the general public with the objectives, purposes and work of our organization, the Catholic Daughters of America, has truly been attained the past year.

We have received many favorable comments from people in the area, as well as praise from Mrs. Edwin Clancy, State Regent, and Mrs. Jacques Bernou, State Public Relations Chairman, in regard to the publicity given us in your publications.

Thus, on behalf of the officers and members of Court St. Mary, we wish to convey our thanks to you and the staff at Marchbanks Publications for the coverage and also the aid it gave our fund raising projects.

Very truly yours,

READER CALLS CALLAN PARK A 'RICH' GIFT'

Dear Editor:

The way the Callans have been treated for trying to give a rich gift, Callan Park, to Daly City, I wouldn't be surprised to see them take Callan Park to South San Francisco or Pacifica or even San Bruno.

I think it's a shame to have people born and raised in Daly City confronted by paid agitators from outside, when, so far as I can see, the only reason they brought the Callan Park package to Daly City in the first place was because they're all Daly City natives.

I never met or heard of this Fred Walker and his citizens' committee until a couple of weeks ago. Who does he think he's fooling?

Let's have some progress in Daly City, I say.

Disgustedly,
Rodger Moreschini

It was presumed to have started from a carelessly tossed cigarette while Hoover was parked and away from the truck.

The painter thanked the firemen, then drove back to business.

COUNTY TIEUP DISCONTINUED

Unincorporated Area Residents Must Re-Register And Pay $7.50 In Order To Use DC Libraries

City Librarian Samuel Chandler today reminded that Thursday, June 16, is the final day residents of the unincorporated areas of San Mateo County will be allowed to check out books from the Daly City public library branches.

Chadler explained that early this year Daly City officials proposed to the county that during 1960-61 residents of Broadmoor, Garden Village and Colma be served from the Daly City public library.

"This offer called upon the county to pay the city of Daly City exactly what it costs the city in taxes per registered borrower," Chandler declared.

"The county, however, elected not to accept this offer . . . a letter to this effect dated May 13 this year, is on file with us."

Chandler continued:

"It has been said that the Daly City library will suffer because it no longer can use the resources of the County library. There is some truth to this statement, but let it be understood that the Daly City library owns 25,000 books and has plans to buy many more for the new main library on Southgate avenue in Westlake.

"Moreover, Daly City cooperates with most other cities and many universities and schools on the inter-library loan plan. This makes it possible to borrow books and certain non-book materials on nearly every conceivable subject. The Daly City library also has the right to borrow books from the California State Library — one of the largest state libraries in the United States."

Chandler pointed out that after June 16, non-residents of the city of Daly City will be required to re-register and to pay a non-resident fee which will be $7.50 per year. This will entitled non-residents all library rights and privileges offered to residents of Daly City.

Chandler explained that the new $143,000 main library at 275 Southgate avenue will house a book collection that can grow to 30,000 volumes. It will also have a children's library, a record collection, collections of pamphlets, and pictures and prints of great paintings. Among its special features will be a meeting room where discussions can be held and exhibits hung for public view.

The new library is expected to open this September.

Officer David Johnstone took the report from Scavenger owner Al Sereni, 472 A street, Colma. Sereni estimated damage at $150.

AROUND TOWN

By ROY HURLBERT

PROUDEST role of Daly City's busy personnel board is acknowledging periodic letters from citizens praising the efforts of municipal employees, particularly firemen and cops.

Cited recently by grateful homeowners were police officers Steve Steen, Charles Munday, Phil LaBruzzo, Edward Beecher, Robert Stables, dispatcher Jack Gallagher and Sergeant Jerry Galindo.

It's gratifying to know that many folks still take the time to say thanks to the men in uniform. A little word of gratitude goes a long way.

WESTMOOR High senior Jerry Shirinian, 17, is about the happiest lad in these parts. Knowing that famed Dr. Tom Dooley was due in San Francisco last Friday to speak on behalf of his MEDICO foundation (hospital care for Southeast Asians), Jerry wrote a letter to Mayor George Christopher and asked if he could be on hand to personally meet the indefatigable young physician.

Christopher answered that Jerry would be most welcome.

Young Shirinian not only met Dooley, but he was asked by the doctor to accompany him all day for a series of speeches, banquets and a television appearance.

Jerry was so enthused by Dooley's magnetism that he pledged to join the growing MEDICO organization once he gets his MD degree at University of California.

Dooley is the type who can lead anybody out of the wilderness—young and old.

SCHOOL lets out a week from now, but most of the teachers will keep busy working at sundry jobs to meet the family budget. The more solvent ones will vacation and rest the nerves.

All of OLM's baseball teams may be seen in action Sunday afternoon at Marchbanks Park. All parishioners are invited to attend.

Post Office Worker Talks At W-Wilson

Last week Claude J. Palmer, an accounting postal clerk in the San Francisco Post Office, talked to (Mrs.) Ann Shaw's fifth grade class at Woodrow Wilson School about stamp collecting and his work in connection with the first day of issue of the 25-cent Lincoln air mail stamp. This stamp was issued April 22.

The class learned a great deal about stamps. The average number of new stamps issued each year is between ten and 20, although so far this year there are 29. There are two types of postal stamps—the definitive or regular issue, and the commemorative issues such as those showing historical events, monuments, and famous American people.

When the post office gets a letter requesting a first day cover, a symbol, representing the number of stamps to be affixed is drawn faintly on the envelope with pencil until the stamps are available to be affixed to the envelopes. Once the stamps have been affixed to each cover, the covers are then cancelled.

There are two methods of cancelling—one is by machine and the other by hand. The preferred type of cancellation is by hand stamp which has the entire cancellation on the envelope arranged in a single horizontal line.

The "Bull's Eye" type of cancellation is nothing more than the postmark part of the cancellation placed directly in the center of the stamp showing the time, date, and place of issue. There is no lettering reading: "First Day of Issue" on the Bull's Eye cancellation. The postmark time is always 9 a.m.

A new stamp commemorating the 100th anniversary of the Pony Express will be issued on July 19 in Sacramento.

Palmer brought his fine collection of covers of the Overland Mail which commemorated the centennial of the famous route which ran from Tipton, Missouri, to San Francisco, California — the first regular mail service connecting California with the rest of the states.

He displayed this collection to show the several varieties of cancellations.

Other first day covers included stamps such as Old Ironsides, Utah Centennial, Oregon Territorial Commemorative, California Gold Centennial Rough Riders, First Trip Across the San Francisco-Oakland Bay Bridge, Friendship Bridge between New York and Canada, and the new 25-cent Lincoln international air mail.

PLaza Dial Phone Office Here Serves 17,534 With Staff Of 154; Annual Payroll Is $650,000

A 29 per cent increase in the number of telephones serving this area by January, 1965, reflects the growth of business and population expected here by Pacific Telephone.

According to Daly City Pacific Telephone Manager, W. L. Conkey, this is the projected increase in the number of phones served by the Plaza dial central office at 359 Washington street, Colma.

The Plaza office serves the 17,534 subscribers with PLaza 5, PLaza 6, WYman 2 and POplar 1 phone numbers. This covers all of Daly City and Colma, some South San Francisco and a few San Francisco telephones. It also provides long distance and other operator services for Pacifica subscribers.

The two-story dial building has been serving local subscribers since it was completed in February, 1959. Before that, and from the time of the first establishment of Plaza numbers in 1950, these telephones operated out of a unit in San Francisco.

Conkey said that since 1950 the pattern of telephone growth here has kept pace with and sometimes been ahead of, the dramatic population growth in the local area.

When the Plaza unit was first activated in April, 1950, there were 2706 main telephones connected to it. As of January, this year, there were 18,004 main phones served out of the new Plaza building—an almost seven-fold increase in less than ten years.

Phone company engineers expect to see this number rise to 23,275 main phones by January of 1965. This will mean a growth of nearly 1000 per cent in just 15 years, Conkey pointed out.

He said that it takes a lot of telephone people and a lot of equipment to keep the area's telephone plant going. The Plaza building operation alone employs 154 people with an annual payroll of over $650,000.

The bulk of this payroll, $538,000, is accounted for by the force of 136 operators and supervisors which operates the 44-position switchboard. These are the operators who respond when the following subscribers dial "O" or "211": Plaza subscribers, Juno subscribers in South San Francisco and San Bruno, and all Pacifica subscribers.

A few of this force of 136, which represents the traffic department, are not involved with the switchboard but are responsible for administering the use of the local dialing equipment on the first floor of the building.

The other 18 phone people in the Plaza office belong to the plant department and are responsible for maintaining all the equipment.

Conkey explained that this one building does not house all the equipment and all the telephone people necessary to provide phone service in the area. An additional 19 plant department employees operate out of the plant service center at 35 Russia avenue, San Francisco, and take care of installing and repairing telephones at homes and businesses.

Including the 18 men in the Plaza building, this makes for a total plant department force of 37, with a combined annual payroll of $226,752.

The repair and installation crews require a varied assortment of vehicles to do their job and they draw on a $300,000 fleet of eight cars and 108 trucks which service Daly City, Colma, South San Francisco and Pacifica.

Conkey explained that this leaves one other department which is directly involved in handling phone service here but which is seldom seen—the commercial department. This department, of which Conkey is a part, operates out of a combined district headquarters office in downtown San Francisco.

Its service representatives answer customer calls for service, billing information and other information. Bills, made up by the accounting department are paid to the commercial office which also keeps complete records on every subscriber. Conkey estimates that it takes about $79,200 of annual payroll to provide commercial services to customers served directly by the Plaza office. This job occupies the time, in full or in part, of 19 telephone people.

For the statistically minded, Conkey adds all this up to 192 telephone people, paid $843,952, per year, to operate the Plaza building, install new services and maintain existing telephones in the area which is directly served by Plaza's dial equipment.

Other installation and repair forces serve Pacifica and South San Francisco, Conkey clarified.

Not taken into account with this inventory, are Pacific Telephone's other departments which back up the operation of the Plaza building and services. These include plant engineering and construction, accounting, directory, chief engineers and other special headquarters groups without which the complex machinery of a telephone system could not function.

Key telephone people most closely involved in managing Pacific Telephone's departments and operations in this district are as follows:

The plant department: C. C. Smith, district manager; Larry Horvath, supervising wire chief; and Frank Spiller, chief switchman and the person directly responsible for the dial equipment in the Plaza office.

The traffic department: Charles McAvoy, district manager; J. D. Mills, assistant superintendant; and Mrs. Lorette Barei, Plaza chief operator and a Daly City resident.

The commercial department: Dave Buckley, district manager; W. L. (Bill) Conkey, manager.

Asked to describe the volume of calls flowing into the Plaza switchboard and through its dial equipment, Conkey said that customer dialed calls amount to 136,000 on an average weekday. An average of 119,000 calls are dialed in to Plaza subscribers from other central offices and exchanges.

Plaza operators handle some 5,300 long distance calls on an average weekday, and 6,300 Bay Area calls.

Conkey said that the office was designed to accomodate future demands for service over an extended period of time. Extra room is available for additional equipment, both dial and switchboard.

He said, however, that there is enough capacity in the existing equipment to handle growth in the near future, although there will be some expansion jobs during the next few years.

Conkey said that these things are better understood when seen or when explained in person. He said subscribers are welcome to visit the Plaza office for a tour of the facilities and a briefing on telephone operations.

Public tours can be arranged on Tuesdays, Wednesdays and Thursdays, between 9 a.m. and 3 p.m. Arrangements should be made by calling Conkey at EXbrook 9-4583.

DC Sea Scout Unit 'Shines' At Regatta

Daly City's Sea Scouts participating in the largest of the many annual Sea Scout Regattas, recently held at the U.S. Coast Guard Base, Alameda, once again came home with honors.

Among the events was the contest of teams 'taking out a line," in which the Sea Scouts' small boats were used. Daly City's unit scored first place among the 81 Sea Scout ships present.

Over 1000 Sea Scouts participated in the regatta, with units hailing from Salt Lake City, San Diego, and as far as the northwestern states. Almost 200 officers supervised and judged the activities.

As has been the case in past years, the Coast Guard turned over the base to the young men. Except for a nominal charge for meals, everything was "on the house."

A group of Daly City Scouts cruised to Alameda aboard Skipper Harry Goodwater's ship, the Sea Horse. Skipper Goodwater has the largest vessel in the San Francisco Council's Fleet, while Daly City has the only unit comprised entirely of the smallest boats.

Vista Mar School Fourth Graders Produce A Play

Mrs. Kathryn Gerdes, 4th grade instructor at Vista Mar, and Mrs. Charlene Trautner, student teacher, provided an opportunity for a group of students to produce a play from their readers, "The Cross Princess."

The play was correlated with health teaching since it was vividly portrayed in the play that the amount of sleep was a specific factor in attitudes displayed and reactions to classroom situations. The play was presented to the other 4th graders in Mrs. Vivian Janis' and Donald Knudsen's classes.

Students who portrayed characters in the story were: Diane Pigott, Becky George, Karen Palmer, Sandy Henley, Rayna Alcala ,Linda Howard, Sally Bonavita, Connie Andrews, Linda Knox, Karen Edwards, and Mary Grangoff. David Dotur acted as MC while Karen Palmer directed the production.

SHIP-NAMING 'PERMISSION'

Admiral Nimitz Sends Blessings To Daly City's Sea Scout Unit

The Sea Scouts of Daly City, known in their council as The Albatross, have changed the ship's name. This was announced at a recent meeting during which command of the ship was passed from Jay F. Irick, retiring Skipper, to Westlaker Bob Gunthorp.

With permission of the ship's committee, Gunthorp contacted retired Fleet Admiral Chester W. Nimitz, asking his permission to rename the Daly City Ship in his honor. Nimitz, in a personal letter to Gunthorp, was pleased and granted the request, adding that he extended "best wishes to the Skipper, officers and young men of my new ship."

The original letter from the Admiral was inscribed and given to the ship's retiring skipper, Irick, as a memento.

When the unit was first organized by Irick several years ago, he felt it would be appropriate to adopt a name honoring an acknowledged naval hero, and suggested the group be called the "Admiral Byrd." Instead, the boys then comprising the ship's members elected the name "Albatross."

How inappropriate this was became apparent when, at the 1960 Ancient Mariner Regatta held at the Alameda Coast Guard Base, three of four competing ships in a pulling boat race were all named "Albatross."

The committee, in giving Gunthorp the go-ahead, was also aware that no other ship in the San Francisco Council has been named in honor of a naval personage.

Gunthorp, in presenting Admiral Nimitz' letter to Irick stated, "I now give you the Ship Nimitz, sir; I could not bring myself to give you the Byrd."

Letters indicating the change of name have been mailed to each Sea Scout Skipper in the San Francisco Council, and the new name of Daly City's Ship, "Fleet Admiral C. W. Nimitz," shortened to the "Admiral Nimitz," will be nationally registered on charter renewal date early next year.

LITTLE LEAP ... OVER A BIG BOULDER

With Lou Lucia

Oceana High School in Pacifica may be able to start their own war. They have more brass stationed at the school than could be found in an antique shop.

Recently hired were Sidney A. Ernst and Joseph Witherow. Both are retired Navy captains who graduated from Annapolis in 1932 and though going on around the world cruises many times have never crossed paths. Ernst, mathematics instructor, and Witherow, Spanish teacher, will be able to converse in English at the school.

In charge of the captains is Dean of Boys Ernie Ribera, a Marine Corps reserve Lieutenant Colonel. Planning the entire stage for the schooling battle to ensue is Dr. Harold Tonini, principal and former Navy Commander.

All will undergo "boot training" at Westmoor High this fall in anticipation of the Oceana campaign in 1961. The "bomb bay" doors will open to let in an influx of Pacificans at that time.

Let's take a look at what might happen the first day of school in '61. Scene: Dr. Tonini sitting at large desk with scale model of school before him. Red pins designating teachers and one blue pin for each 35 students. Across from him sits Ribera, resplendent with dress blues and silver cluster gleaming in sunlight.

Tonini: I believe that we should deploy nine social science teachers to the West wing and move four gardeners to the right to cover ground at that point."

Ribera: "Sir. If I may suggest, what about transferring four custodians from the "dive bomber" brigade to cover the advance of papers strewn to the north side by lunching students."

Tonini: "Excellent recommendation Colonel."

Ribera: "Shouldn't we send an extra copy of all reports to the D.I.D. Section?" (D.I.D. is referring to Miss Dorothy I. Duncan, superintendent's secretary.)

Tonini: "We'll have to cut down on paper work by sending but 3000 carbons to the District, 1000 to the 'DID' section and keeping 500 for our own use."

Ribera: "What of our surrounding tactics at Terra Nova (high school)? It's in a valley and could be easily accessible by standing on hilltops."

Tonini: "All orders will be channeled down from the war office (board of trustees) through the General (Superintendent Ed Morgan) and reach the staff level (Oceana administration)."

Order of the Day as posted on the bulletin board will probably include an assembly with students participating in singing The Battle Hymn of the Republic.

We hope all mentioned take this in good humor or we'll be facing a fair court martial . . . and firing squad.

Cancer Drive In SM County Nears Finish

The San Mateo county Cancer Society today reported its fund drive is in the homestretch, reaching toward the $92,470 mark.

At the same time CS President Mrs. Edward Jenanyan reported, "It should be of considerable public interest to recognize the fact that we have one of the lowest overhead costs of any organization of this kind in the area."

The staff of the San Mateo county Cancer Society consists of two full-time employes, one an executive director and the other a director of education. The organization also retains the services of a bookkeeper on an hourly basis. Last year the CS produced close to $112,000 from all sources of contribution including the fund drive.

Said Mrs. Jenanyan, "We have long recognized that the contributor to the Cancer Society is anxious that the money be channelled directly into research, public education or be used to aid as far as possible those stricken with cancer in this area.

"Operating on that policy, the board of directors of the society representing a cross-section of business, professional and civic leaders of this county carefully screens all expenses."

The society reports a number of cities have already reached their respective quotas, but some areas in the county have not yet been canvassed, because volunteers were delayed for various reasons, Mrs. Jenanyan urged those not yet contacted to send their contributions to the Cancer Society headquarters at 320 Third avenue, San Mateo.

POPULAR JAY F. IRICK

Outgoing Sea Scout Skipper Feted At 'Change Of Command'

In formal ceremonies as old as the first men to sail the seas, Skipper Jay F. Irick turned over command of the Daly City Sea Scout Ship to its new Skipper, Robert Gunthorp, in an impressive meeting at Westlake Improvement Association clubhouse on May 31.

Irick, well-known in the community, relinquished command at his own request. He and his family are moving to Sunnyvale. Present with him were his wife, Loris, librarian at the Westlake Branch Library, and his son, Bart.

Irick read the orders appointing Darryl Deinhard and Frank De Martini Jr., commissioned officers (mates) on the ship. Both Deinhard and De Martini are charter members of the unit, and both are Westmoor High seniors.

Presiding at the ceremonies was Frank De Martini Sr., the institutional representative, or liaison between the sponsoring organization, the Westlake Subdivisions Improvement Association, and the Sea Scout Ship. De Martini was accompanied by his wife, Bernice.

After presenting Irick with the letter from Admiral Chester Nimitz, renaming the ship in Nimitz' honor, Gunthorp in a somewhat more jocular vein admonished Irick to "keep this flag always flying, particularly when the Gunthorps visit Sunnyvale," after which he presented Irick with a Cocktail Flag, used by yachtsmen to indicate that the cocktail hour aboard ship is under way.

Albert S. Wilson, chairman of the Ship's Committee, then read a resolution of the Committee, sealed with the great seal of the San Francisco Council, Boy Scouts of America, acknowledging the contributions that Jay Irick has made to Westlake, to Daly City, and to the Boy Scout movement, as well as in other civic and charitable enterprises. Then, in a step never before known to have been taken by a Sea Scout organization, and in recognition of his leadership and achievements, Irick was appointed the Honorary Skipper and an Honorary Member of the Ship's Committee for his lifetime. Sealed copies of the document were placed on file with the sponsoring organization, the WSIA, and in the San Francisco Council's permanent records.

The actual change of command took place when, as is customary, Irick was then piped "ashore." However, as a mark of the esteem and respect in which the men of his ship hold him, the traditional number of sideboys was doubled.

Among several to address the friends of the ship were Vice Commodore Braegler of the San Francisco Sea Scout Flotilla, whose service in the Sea Scouting movement dates back to the early 1920's, and whsoe experience includes shipping "before the mast" in the days of sail. Others, who paid their tribute to Irick's work, were Lake Merced District Commissioner Jack Hurt and Mrs. Hurt, Lake Merced Sea Scout Commissioner F. Richard Brace and Mrs. Brace, the entire board of the WSIA, and Skippers Al Jenkins commanding SES Phoenician, Lyle Galloway commanding SES Navigator, and Harry Goodwater, commanding SES Sea Horse. The latter were accompanied by their commissioned officers and several of their senior petty officers.

An entire section of the hall was set aside for the uniformed officers, who were piped "aboard" with sideboys in full ceremonial fashion.

Others were present who had, over the years past, contributed heavily to the success of the ship. Among these were Mr. and Mrs. Fred O. Goodell and family. Tom Goodell, formerly a member of the ship, was one of its first junior leaders, and a deservedly popular one among the group. Fred Bargioni, prominent realtor and insurance broker, also a commodore of various yachting clubs, was among the invited guests.

Following the meeting, the visitors signed a gift card as a momento for the Irick family and then, over donuts and coffee, a handsome Italian cigarette lighter and box, imported by Richters of Westlake from Italy, was presented to the Iricks as a parting gift from the ship's members.

Presentation was made by the ship's two Crew Leaders, Dave Kazakoff and Chuck Culley, both of whom now take rank as senior petty officers under Bruce Wilson, newly-appointed Boatswain and "chief of the ship."

Gunthorp, the new skipper, has been a Westlake resident for nearly four years and has been Mate of the Ship about three years. He resides at 1172 87th street with his wife, Janet, and two daughters, Anne and Janet. While ROTC Instructor at Oakland High School, Gunthorp became interested in the scouting movement and was active for Oakland Council as a merit badge councilor for several years. He is a former officer of the Military Police Corps, U. S. Army, and also a former Marine, having served his country in uniform for more than 12 years through World War II and the Korean conflict. He is an accomplished small boat sailor, and his enthusiasm for small boat sailing has, it appears, rubbed off onto the fine young group comprising Ship 248's roster.

As an interesting ending to the impressive and dedicated evening, parents and friends who had already signified their departure found themselves unable to break away from the exhibition informally and unexpectedly going on outdoors. Ken Lua, Mate of the Phoenician and an accomplished drillmaster, spent almost a half-hour putting the ship's members through some of the finest exhibition drill our ship has ever presented.

Already a "crack" drill unit, Ken took as much delight in putting this well-oiled team through its paces as the members did in responding to a "crack" drillmaster.

LEFTOVERS FROM A BANQUET: At Westmoor's Block W banquet honoring the most renowned Hilltop athletes we heard the following:

Jim Roman, while accepting the golf trophy given to the most outstanding senior, "Aw, coach, why didn't you give it to Sam (Malta)." Tony Giammona turned it over despite Roman's American modesty.

Track Coach Ernie Ribera talking to Jim Buccelli, "He could participate for any varsity cross country college team in the nation." He's only a junior and will be back to help new Coach Bob Blevins next year.

Ribera again, "Roger Johnson tried a new event, the hop, skip and jump and cleared 44 feet. Looking at the papers I noticed that Big Five athletes are only doing 42 feet. That speaks well of the senior."

Frosh Football Coach Rod Losberger, "Our defensive line averaged 202 pounds so Oceana and Westmoor will have hefty linemen next year."

Ribera again, "A local paper said that the Ram baseball team won the first major spot title, but how about our track team of last year?" The track team was co-champion with San Mateo in 1959, so Ernie is right. The Ram baseballers won the first "uncontested" major sport championship.

* * *

JUST THE RIGHT TIMING: Westmoor baseball Coach Rod Losberger would have lost two of his star performers if they weren't moving into the senior class next fall. On the Pacifica line are shortstop Rich Morales and pitcher-outfielder Cornell Holmes. Both will stay at Westmoor as they are . . . whew! . . . just in time, says Losberger.

* * *

WILL MISS A PITCHER THOUGH: Losberger will lose one of his ace pitchers. Don Katona, a sophomore with a great future ahead, will join Roger Miller's Oceana nine next fall. Katona, outstanding all year long, will be sorely missed. Some promising Frosh-Soph athletes will also be at Oceana. They are: Second baseman Dave McIntosh, catcher Bob Simons, first baseman Joe Gardner, outfielder Fred Mason and third baseman John Dyer. Looks like Rod will have to find many infield replacements somewhere.

* * *

IN ONE YEAR MAYBE: Previous to the first game we had an article in this column stating that Jefferson's baseballers were in the same position as Westmoor was last year. A strong Frosh-Soph graduate club playing their first year of ball and needing more seasoning before being title contenders. We yanked the item before the paper came out 'cause Jeff beat the Rams. Now, as we look back a bit we find we were right. Incidentally, Indian Coach Steve Mezzera agrees. Watch out next year PL'ers.

* * *

JEFF'S DOWNFALL WAS LACK OF HITTING: Mezzera said that hitting led to his club's nose-dive. The Indian mentor said, "We didn't have the needed hitting to come from behind once the opposition got ahead of us."

* * *

GOOD STOCKYARD THOUGH: Recreation Department Director Chuck Vincent believes both local schools will have good baseballers in the future. Chuck says, "We have a training ground for the youngsters right in the Recreation Department. Approximately 500 kids are playing ball under our direction now." Vincent and Rich Watso, a Jeff graduate, are two of the Indians' biggest rooters and boosters.

FREE SWIMMING LESSONS?: One Jefferson C swimmer related that the jubilant Peninsula League champions became so over-joyed at winning that they tossed two gal timekeepers into the pool. It wasn't on Dunks street either but at the Hillsdale High School pool.

* * *

DELIVER THE RIGHT PITCH: Westmoor pitcher Bob Goodwin was the student body president this past term and after the recent election at the school another pitcher, Terry Christman, was voted into office. Guess they know how to make the right delivery at the right time.

MORALES, DOUGHERTY ALSO OVER .400

KROHN LED HITTING WHILE WALTHARD WAS ERRORLESS

Three Westmoor baseball players were bunched like grapes for the top spot in batting for the Rams. Barry Krohn won by a one-point spread from among Rich Morales and Bill Dougherty with a .414 average.

Ram Coach Rod Losberger noted that the averages are Westmoor's and are not in accord with those given by the league office at Hillsdale. He accounted for the difference by stating that the coaches themselves do not keep score most of the time and inexperienced scorers forget that sacrifice bunts and flys are not counted as times at bat.

Catcher Ed Walthard was the leading gloveman for the Rams, handling 106 put outs and assists without a single bobble during league play. Through the practice games he handled 181 chances and committed one error. Rich Morales, shortstop, made but one error in 54 chances during league play and three through 104 total tries.

Team leaders for the Rams during league play were: 13 runs, McHugh; 19 hits, Morales; 3 doubles, Morales and Christman; 2 triples, Morales, Hix and Krohn; 2 home runs, McHugh and Morales; 11 walks, Hix; 12 strike outs, McHugh; 7 stolen bases, Morales and Dougherty; 5 errors, Heick; best won and lost record 5-0, Katona; and best earned run average 1.33, Krohn.

Following are the final hitting averages for the Rams with the last column devoted to average including practice games though the AB, R, H, RBI, are for league only.

Davila Not Only Sets New School Record At Jeff But Hollister Mark As Well With 4:29.7 Mile

Anibal Davila, flirting all season long with Jim Rector's 1955 mile best timing of 4:33.7, didn't have to win by an eyelash as he cracked the school record at Jefferson with a 4:29.7 streaking at the Hollister Relays last Friday.

The junior not only wrecked Rector's record but set a new Hollister relay mark as well. The 1957 clocking of 4:33.5 went down the drain.

Davila received the only individual trophy given at the relays. The mile race was an "open event" and the other trophies were for varsity and B team winners. The 18-inch trophy is a memento of his Hollister mark.

The distance medley team composed of Bab Alverio, 1320; Rich Marston, 660; Duane Baswell, 330; and Narin Albert, 110, captured third place at 5:42.6. George Washington at 5:40.1 and Galileo at 5:42.1 were first and second. The Jeff hurdler team did not place.

Harry Brown Led Pitching, Harter Hitting For F-S

Westmoor's Frosh-Soph baseballers finished fifth with a 6-8 record and Coach Roger Miller attributed the final standing to errors in key games doing the most damage.

"For the most part our hitting was good, though again, a couple of weak hitting tilts brought the averages down," he said.

Leaders for the Ramlings were runs, Steve Funai, 7; hits, Joe Gardner and Roland Isnor, 10; runs batted in, Harry Brown, 6; home run, Scott Shackleford; walks, Funai, 7; strike outs, Shackleford, 17; errors, McIntosh, 5: least errors, centerfielder Shackleford, 1.

League averages were:

Dick Harter	.294
John Dyer	.267
Roland Isnor	.265
Harry Brown	.250
John Cook	.250
Scott Shackleford	.243
Joe Gardner	.238

BYA Juniors Win 8th Straight Game Here

Art Colvin's BYA Juniors won their eighth straight game Saturday at Jefferson in the Daly City Junior League by downing Patek-Eklon, 9-2.

Winning pitcher Ron Johnson allowed but four hits while his teammates collected 10. John Bennet led the victors with 3 for 3.

SOUTH PAL NINE BEATS NORTH PL BY 12-4 COUNT

Stanford's Sunken Diamond was the site of the sinking of the Peninsula League Senior team by the South Peninsula Athletic League graduating baseballers, 12-4, last Saturday.

PL Coach Rod Losberger said the sloppily played tilt was lost due to a number of errors, accounting for half the South's runs, and a weak pitching performance by the hurlers.

Dan Emmett, of South City, the starter and loser, was banged about for six runs. Larry Werner, Hillsdale, chucked the middle innings and was clouted for four more. Fred Suggs, San Mateo, finished the tilt, surrendering two runs.

Both teams committed five errors. The South had 9 hits, the North 5. Collecting one hit apiece were: Dixie Howell, Capuchino; Jerry Scott, San Mateo; J. B. Berry, Jefferson; Tom McHugh, Westmoor; and Emmett, SSF.

Tom Foley, of Sequoia, was honored as the outstanding player of the game, outfielding in left and right as well as catching and cracking out four hits in five trips.

New Pisa Is Idle While BYA Juniors Move Up In Loop

Six doubles, three each by Bruce Hix and Gary Mendoza, plus two-hit pitching by Ron Johnson led Art Colvin BYA to a resounding 20-0 win over OLPH in the Department of Parks and Recreation's Junior Baseball League. The win gave the "Realtors" a second place tie with idle New Pisa Restaurant.

Also idle last week were the league leading Excelsior Jrs.

Visitacion moved into a fourth place tie with the Daly City Merchants by waxing BYA, 14-2. Borelli twirled a two-hitter and collected three hits himself in leading the winners.

San Pedro Lunch broke a close game wide open in the late innings to beat Parkmerced, 12-5.

Brisbane A.C. won their first game of the year by defeating the PAL Cubs, 8-7.

Chief Petrocchi, Jim Kennedy Tie Officials Golf

Police Chief Roland Petrocchi and Jim Kennedy, former Daly City councilman and brother of Fire Chief Elmer Kennedy, tied with identical net 72 scores for the San Mateo County Officials' annual golf tournament last Thursday at Lake Merced Golf Course.

Petrocchi fired a 78 with six stroke handicap while Kennedy with a scratching of 10, carded an 82. More than 25 golfers took to the greens while 70 attended the dinner following the links matches.

Local officials invited to the tourney were City Manager Ed Frank, Mayor Frank Pacelli, City Councilmen Michael DeBernardi, Joseph Verducci, Bob St. Clair and Ed Dennis. Others were Fire Chief Kennedy, City Attorney Paul Hupf, Assistant Police Chief Roy McLaren, Police Captain Roy Beecher and Judges Charles Becker, Frank Blum, A. R. Cotton, Edmund Scott, Marcel P. Biscay and E. J. Ryan.

RAM RELAYERS CAPTURE 2ND AT HOLLISTER

Westmoor captured second place at the Hollister relays held last Friday by placing second in four events and ending with a total of 20 points. Monterey won the meet with 23 points.

The 440, 880, mile and two-mile Ram relay teams were all second. Members of the 440 squad were Barry Langberg, George Herbst, Tom Dake and Pete DeGarmo.

880 men were Herbst, Dake, DeGarmo and Jim Buccelli. Milers consisted of Herbst, Bob Borba, Pete Daniels and Buccelli. Two-milers were Chuck Dake, Glenn Stenstrom, Bob Beeler and Bill Murrell.

Coach Ernie Ribera, bowing out as track coach this year and stepping into the position of Dean of Boys for Oceana, disclosed that Alvin Wolf, history teacher at Westmoor, will handle the cross country team next fall.

W'lake Catholic Men To Hold Annual Golf Stag

Westlake Catholic Men's Club will hold their annual golf stag at the Sonoma Golf and Country Club on June 25.

Co-chairmen Bill Upp and Al Swadley said that the sign-up at the April meeting was so huge that they cannot accept any further requests although those on the waiting list will be accepted in case of cancellations.

Any person not paying green fees ahead of time will be considered as not desiring to play and will be replaced with a name from the waiting list, Upp said.

A trophy for low gross, the president's cup and the perpetual cook's trophy will be given. There will be many other prizes awarded. A hole in one contest will be the highlight of the day with prizes going to the contestant nearest the hole.

Bus transportation may be included for the affair. Chef Martini of Doris' Kitchen will cook the steaks.

JEFF — SOUTH CITY LEAGUE MAY START PLAY IN FALL OF 1961

Oceana vs. Westmoor? Jefferson vs. Terra Nova? New South San Francisco High School vs. the Warriors?

This might be the opening day football schedule for the 1961 - 1962 season. School growth is booming so quickly that Superintendent Ed Morgan believes the Jefferson High and South San Francisco Districts may combine forces a year from now.

His earlier thought was that the new loop would be formed in 1965. Asked if Oceana would ultimately be absorbed in the predominant San Mateo section league (Peninsula), Morgan answered, "I doubt it very much."

"San Mateo has been very considerate to us as they have a sufficient number of schools to field their own teams. They have had for a number of years, in fact," he said.

"We'll probably start to pull out of the league in 1961, and no later than 1962. We will have four schools (Westmoor, Jefferson, Oceana and Terra Nova) and South San Francisco will have two (a new school being built and the older institution). This will warrant enough teams for a league.

"Very informal discussions have been held with the board of managers and the conclusion is that in the future we'll have to break off. In the fall of this year we'll start to set up the rules and regulations of how we're going to operate. Definite meetings will be held with South San Francisco officials.

"Athletic teams at both Oceana and Terra Nova will be in the transitional period for the first year. Both schools will field clubs in major sports but will not compete in full-scale contests as only 800 students at each Oceana and Terra Nova could not adequately compete with 1500 enrollments at other schools," he concluded.

STAFF FINISHES WITH 4-1

MORTOLA, BERRY TOP AVERAGE SWATTERS FOR INDIAN NINE

Rich Mortola, consistent all season long, led Jeff platemen with a .413 average during league play and a .378 during all games.

He was followed closely by J. B. Berry who clouted .400 in loop games, and Bobby With who had a like average but was only at bat 10 times.

Other leaders for Jeff were: 11 runs for Keeling and Tony Montalbo; 19 hits for Mortola; 12 runs batted in for Mortola; 14 walks for Keeling; 11 stolen bases for Keeling; 9 strike outs for Kennedy and Fuertes; 4 errors for Mortola; 3 doubles for Keeling; 1 triple for Tony Montalbo; 1 home run each for Mortola, Stan Montalbo and Claus; pitching wins, Staff (4-1); ERA, Staff, 1.39.

Jim Heick Named Rams' Senior Athlete Of Year

More than 150 fathers and sons attended the fourth annual Block W dinner and witnessed the presentation of awards last Tuesday night in the Westmoor cafeteria.

Jim Heick received the senior athlete award for the year for his earning seven varsity blocks and five junior varsity letters. An All-Peninsula League baseball second baseman in 1959 he was captain of the 1960 pennant winners and co-captain of the Rams football team.

Receiving trophies for outstanding athletic achievements over a four year period were: Heick, Bill Dougherty, Dick Reese, Roger Johnson, Ed Walthard and Jack Kyle.

Chosen as outstanding seniors in each sport were: Varsity Cross Country, Chuck Dake; varsity football, Heick; golf, Jim Roman; varsity wrestling, Len Jacobson; varsity track, George Herbst; and varsity baseball, Tom McHugh. Dave Pass, Westmoor's one man swimming team, though only a sophomore, was also presented with a trophy.

ERNIE RIBERA, popular Westmoor track coach, will bow out at the end of this season to become Dean of Boys for the Oceana session next fall. Termed "one of the best distance track coaches in prep circles," Ribera will be replaced by capable Bob Blevins.

Bob Nielson Outstanding Jeff Senior Athlete

Jefferson High's best all around athlete, Bob Nielson, was honored as the Outstanding Senior Athlete of the Year at the annual Block J Dinner last Wednesday evening.

Nielson was a second team Peninsula League football choice, match after match-winning wrestler and a shot putter for the track team.

Rich Mortola was chosen for his baseball prowess and also being the team hitting champion with an overall .378 average. Mortola was named again later for his ability with the basketball team.

Nielson gained honors along with Art Banos for football. Bob Alverio was picked for his track ability in the 880 and mile. Other athletes outstanding in their sports were: Gary Cinti for swimming; George Ambrosio for golf; and Joe Vaez for cross country track.
